

# Interested in Returning to Work or School?

## Did you know...

Any dialysis patient can get training, financial aid for school, career planning, and job placement assistance through **vocational rehabilitation (VR)** and **employment network (EN) services**. VR and EN services help job seekers with:

- Skill development
- Identifying the right job
- Interview skills
- Personal assistance services
- Career counseling
- Tuition assistance and more!

## For More Information Contact:

- Hawaii Division of Vocational Rehabilitation:
  - Website: <http://humanservices.hawaii.gov/vr/>
  - O’ahu Phone Line: **808.586.4824** (Honolulu) or **808.692.8604** (Kapolei)
  - Hawai’i Island Phone Line: **808.974.6444** (Hilo)
  - Maui Phone Line: **808.984.8350** (Maui, Moloka’i and Lana’i)
- *Ticket to Work* program for EN services:
  - Phone Line: **866.968.7842** or 868.833.2967 (TTY)

## Here’s what some patients have to say about VR services:

- *Employment is a good way for those who are able and want to give their lives structure and purpose. We all need that.*  
— **Lenora C.**
- *Vocational rehabilitation helped me pay for my college. My counselor was very supportive and encouraging.*  
— **Jennifer C.**
