

HSAG Pressure Ulcer (PrU) Collaborative Learning Session 6

Tuesday, March 16, 2010
10 a.m. to 3 p.m.

Health Services Advisory Group, Inc.
Carter Marshall Conference Center
1600 E. Northern Avenue, Suite 100
Phoenix, AZ 85020

OBJECTIVES

Participants will:

- Learn how transitions of care affect health care quality and cost.
- Understand Chronic Care High-Risk vs. Low-Risk PrU MDS coding.
- Discuss the *Advancing Excellence in America's Nursing Homes* Quality Campaign—Phase 2.
- Receive an overview of the Draft MDS 3.0.
- Learn about PrU and nutrition critical elements of the new Centers for Medicare & Medicaid Services (CMS) Quality Indicator Survey (QIS) process.
- Share best practices with collaborative members.
