

Updated 2010 CLABSI and SSI Practices: A New Standard of Care (Safe Practices 21-22)

February 18, 2010, 1:00 pm - 2:30 pm ET

To spur improvements in safety, the National Quality Forum (NQF) and TMIT are co-hosting a FREE webinar series to provide tools that will unite healthcare providers, purchasers, and consumers to more rapidly identify and adopt techniques, presented in the NQF's endorsed® Safe Practices for Better Healthcare ? 2009 Update, that will reduce patient harm and improve care. Specifications have been updated in CLABSI and SSI Safe Practices, based on new evidence, which will be shared during the webinar.

This webinar will address the following Safe Practices:

Safe Practice 21: Central Line-Associated Bloodstream Infection Prevention

Safe Practice 22: Surgical-Site Infection Prevention

The scheduled presenters and topics are:

MODERATOR:

Charles Denham, MD, Chairman, TMIT; Co-Chairman, NQF Safe Practices Consensus Committee;
Chairman, Leapfrog Safe Practices Program

Presentation Topic:

Welcome and Safe Practices Overview

SESSION PANELISTS AND TOPICS:

Rabih Darouiche, MD, VA Distinguished Service Professor; Director, Center for Prostheses Infection,
Baylor College of Medicine

Presentation Topic: New Highlights in Central Line-Associated Bloodstream Infection and Surgical-Site
Infection Prevention

David Classen, MD, MS, Chief Medical Officer, Senior Partner, CSC; Associate Professor of Medicine,
University of Utah; Consultant in Infectious Diseases, The University of Utah School of Medicine

Presentation Topic: Future Picture of Healthcare-Associated Infections

Peter Angood, MD, FRCS©, FACS, FCCM, Senior Advisor, Patient Safety, National Quality Forum (NQF);
member of Safe Practices Steering Committee; former Chief Patient Safety Officer and Vice President for
The Joint Commission

Presentation Topic: HAI Policy Future

PATIENT SAFETY ADVOCATE:

Jennifer Dingman, Founder, Persons United Limiting Substandards and Errors in Healthcare (PULSE),
Colorado Division; Co-founder, PULSE American Division; TMIT Patient Advocate Team Member

Presentation Topic: The Role of the Patient Advocate
