

# Help Us Transform Healthcare

## National Care Transitions Awareness (NCTA) Day April 16, 2019

Health Services Advisory Group (HSAG) helped avoid nearly

**15,000 hospital readmissions**, roughly 20% of readmissions in the nation, resulting in **nearly \$191 million in costs avoided**

HSAG also helped avoid more than

**82,000 hospital admissions**, roughly 20% of admissions in the nation, resulting in **almost \$950 million in costs avoided<sup>1</sup>**

How your organization can take part in NCTA Day

-  Join the April 16 webinar *Navigating Care Transitions for Homeless Patients*—  
[www.hsag.com/care-april-16](http://www.hsag.com/care-april-16)
-  Share HSAG YouTube videos at stand-up and staff meetings—  
<http://bit.ly/2YsMh8y>
-  Invite a new partner to join you in a community care coordination meeting—[www.hsag.com/events](http://www.hsag.com/events)
-  Engage and encourage patients to use *Zone Tools*—  
[www.hsag.com/zone-tools](http://www.hsag.com/zone-tools)
-  Download and share our *Care Coordination Best-Practices Toolkit*—  
[www.hsag.com/care-coord-tools](http://www.hsag.com/care-coord-tools)
