

Environmental Services (EVS) and Infection Prevention (IP) in Ambulatory Surgery Centers (ASCs): Building a Partnership

Wednesday, September 26, 2018 | 9–10 a.m. PT

As part of the *Knock Out Infections—ASC Infection Prevention Initiative* funded by the Centers for Medicare & Medicaid Services (CMS) to help reduce surgical site infections (SSIs) in ASCs, Health Services Advisory Group (HSAG) invites you to attend this important event. This webinar will discuss the importance of partnering between EVS and IP in ASCs. Annual competency examples will be shared to ensure that EVS staff receive ongoing education and training for their role.

Speaker: Angela Vassallo, MPH, MS, CIC, FAPIC,
HSAG Clinical Improvement Advisor, Infection Prevention

Webinar Objectives:

- Describe partnership opportunities between EVS and IP.
- Create a competency for annual EVS staff education.
- Build a partnership and implement a competency process with EVS.

Who Should Attend:

- Infection preventionists
- Environmental Services Leadership and Staff
- Surgical Technicians
- Administrators
- Nurses

WHEN

Wednesday, September 26, 2018
9–10 a.m. PT
