Background

The California Department of Public Health's (CDPH) CMP program is pleased to announce the CMP Reinvestment Application Template (PDF) for a new grant opportunity for SNFs. Earlier this year CDPH, in conjunction with the Centers for Medicare and Medicaid Services (CMS), released a communicative technology grant to aid in virtual telehealth and family visitation for residents. This AFL announces a new grant opportunity for SNFs to use up to $3,000 for tents, clear partitions, and installation costs to aid with the expenses of establishing in-person visitation.
