

Do Your Patients Drink Too Much? Screen and Intervene with SBIRT

Earn nursing continuing education credit!

Join Health Services Advisory Group (HSAG) for a one-hour webinar offering an overview of Screening, Brief Intervention, and Referral to Treatment (SBIRT). We will discuss this public health approach to identifying and providing effective interventions for those who may be at moderate to high risk of medical, behavioral, and/or psychosocial concerns related to alcohol use. This training highlights one validated screening tool, the AUDIT, and one evidence-based communication style, Motivational Interviewing.

Thursday, August 2, 2018

12 Noon–1:00 p.m. ET

9–10:00 a.m. PT/AZ

Objectives:

- Describe the SBIRT model.
- Identify the evidence-based clinical tool used in SBIRT programs to effectively intervene, treat and prevent risky alcohol use.
- Explain *Motivational Interviewing* and its benefits.

Speaker:

**Debra Scholten, LPC, CRC,
Ohio SBIRT Project Training Officer,
Department of Mental Health &
Addiction Services**

This webinar, provided at no cost to you, has been approved for one Continuing Education Credit! CE provider is approved by the California Board of Registered Nursing, Provider #16578 for one (nationally approved) contact hour.
