

# Health Services Advisory Group (HSAG) and the Santa Clara County Sepsis Collaborative Invite You to Join the Webinar

## Sepsis Training: Early Identification and Treatment to Avoid Unnecessary Readmissions

Wednesday, October 3, 2018 • 10–11 a.m. PT

### OVERVIEW

Recognize the signs and symptoms of sepsis, and review treatment guidelines and strategies to improve sepsis care in post-acute facilities.

Take this opportunity to learn from our presenter's extensive experience and expertise that can instantly be applied to help provide better care to older adults residing in post-acute settings.

### LEARNING OBJECTIVES

This webinar will provide demonstrations and coaching. Participants will:

- Identify processes to recognize symptoms of sepsis for older adults in post-acute settings.
- Review the definitions of sepsis and key elements of the clinical practice guidelines.
- Define the importance of early recognition and treatment for patients with sepsis.
- Review potential actions to facilitate timely care, appropriate transfer, and clear communication amongst caregivers.

### Who Should Attend

Nursing Homes/  
Post-Acute Settings:

- Directors of Nursing
- RNs, LVNs, CNAs
- Anyone caring for older adults

### PRESENTER

**Kelly Nguyen, MSN, RN, PHN**

As the Manager of Sepsis Quality at El Camino Hospital in the Silicon Valley, Ms. Nguyen is responsible for the education of patients and staff, compliance with sepsis quality measures, and various improvement efforts.

### WHEN

Wednesday,  
October 3, 2018  
10–11 a.m. (PT)
