

# Telehealth and Therapeutics Updates

Melissa Solis, MD

Clinical Section

COVID Control Branch

March 27, 2024

# Telehealth

*National Institutes of Health (NIH) Home Test to Treat program will end on April 16, 2024*

National Home Test To Treat	Sesame Care
Ends on April 16, 2024	CDPH contract for <b>free</b> services ended Feb. 29, 2024
	Sesame Care will continue to provide <b>low-cost</b> (~\$30) telehealth services

The poster features a QR code in the top right corner. The main text reads: "You telehealth care with Home Test to Treat." A green circular callout states: "The Home Test to Treat Program will provide services until April 16, 2024." Below this, the heading "How does it work?" is followed by a bulleted list: "Meet with a provider online or over the phone from the comfort of your home.", "If prescribed, you can receive medication at no cost.", and "If you are not currently positive for COVID-19 or flu, you may be eligible to receive free COVID/flu tests, while supplies last." The "Sign up Today" section provides the phone number "1-800-682-2829" and the website "www.test2treat.org". The logo for the "HOME TEST TO TREAT PROGRAM" is shown, along with "Powered By eMed". A photograph of a diverse group of people is partially visible on the right side. At the bottom, a note states: "NIBIB supports Home Test to Treat through the RADx Tech program under contract #75N92022D00010 with additional support from CDC and ASPR."
