

No-Cost Webinar!

# Building a Quality Reporting Program for Ambulatory Surgical Centers

Join the Health Services Advisory Group (HSAG) and the TMF Quality Innovation Network for our first multi-state ambulatory surgical center (ASC) open forum webinar to focus on ASC reporting. Donna Slosburg, BSN, LHRM, CASC, executive director of the ASC Quality Collaboration, will be an active participant in the discussion, and we will compare quality measure reporting at the state level and view resources and guides that can assist you in developing your own reporting program. You will have the opportunity to ask questions and discuss reporting options with peers as well as HSAG and TMF Quality Innovation Network-Quality Improvement Organization (QIN-QIO) consultants.
