

Reducing Readmissions Preparation Program

2018 Webinar Series

Intervention Strategies and Clinical Skills to Reduce Readmissions

Everyone has a role in reducing preventable readmissions to the hospital! These sessions from Health Services Advisory Group (HSAG) are open to all nursing home/post-acute care providers interested in reducing readmissions, with special interest for medical directors, directors of nursing, consulting pharmacists, and nursing staff members. Continuing education units (CEUs) are available.

Intervention Strategies
