

We're Not Being Nosy—We Care!

In order to provide you with the best care we need to know certain things that are happening in your life.

Take note of the items below and be sure to alert your care team if:

- You have been in the **hospital**.
- You have been to the **emergency room**.
- You have been to a **specialty doctor**.
- You have **started** a new **medication(s)** for any reason.
- You have **stopped** a **medication(s)** for any reason.
- You felt like going to the **emergency** room but did not go.
- You were seen by an **urgent care** center.
- You experienced any **bleeding** for any longer than 10 minutes from anywhere (like a cut, nosebleed, or bleeding gums).
- You have any new access **pain, changes, or problems**.
