

Interested in Returning to Work or School?

Did you know...

Any dialysis patient can get training, financial aid for school, career planning, and job placement assistance through **vocational rehabilitation (VR)** and **employment network (EN) services**. VR and EN services help job seekers with:

- Skill development
- Identifying the right job
- Interview skills
- Personal assistance services
- Career counseling
- Tuition assistance and more!

Here's what some patients have to say about VR services:

- *Employment is a good way for those who are able and want to give their lives structure and purpose. We all need that.*

— Lenora C.

- *Vocational rehabilitation helped me pay for my college. My counselor was very supportive and encouraging.*

— Jennifer C.

Interested in Returning to Work or School?

Ask your dialysis social worker or contact the:

- Ticket to Work: **866.968.7842** or 868.833.2967 (TTY) for EN services.
- Florida Division of Vocational Rehabilitation, Service Directory and VR Office locations: www.rehabworks.org/office_directory.shtml.
- Goodwill Services: <http://www.goodwill.org/find-jobs-and-services/>.
