

Interested in Returning to Work or School?

Did you know...

Any dialysis patient can get training, financial aid for school, career planning, and job placement assistance through **vocational rehabilitation (VR)** and **employment network (EN) services**. VR and EN services help job seekers with:

- Skill development
- Identifying the right job
- Interview skills
- Personal assistance services
- Career counseling
- Tuition assistance and more!

Control Work No. 10 No.

For More Information Contact:

- California Department of Vocational Rehabilitation (DOR):
 - Website: https://www.dor.ca.gov/Home/FindAnOffice.
 - Phone: **800.952.5544** or 844.729.2800 (TTY)
- *Ticket to Work* program for EN services:
 - Phone: **866.968.7842** or 868.833.2967 (TTY)

Here's what some patients have to say about VR services:

• Employment is a good way for those who are able and want to give their lives structure and purpose. We all need that.

_ Lanara C

• Vocational rehabilitation helped me pay for my college. My counselor was very supportive and encouraging.

— Jennifer C.
